

BRENDEN MASON, HTML EMAIL DEVELOPER

OBJECTIVE

I am a Self-Taught HTML Email Developer that is pursuing a Full-Time or Contract opportunity within an organization that will utilize and enhance my knowledge in HTML Email Development and Management.

SKILLS

Master-level experience and understanding of **HTML** and **CSS**. My relevant technical skills also include **HTML Email Creation**, so HTML tables with CSS inline-styles, along with the knowledge of **Outlook/MSO Conditional Statements**, or “ghost tables” that allow hard-to-render email clients like MSO or Outlook to output the correct structure. I use **EmailOnAcid** and **Litmus Putsmail** to test my designs’ compatibility. I also use **Media Queries** to create **responsive designs** and enable **Dark Mode** in clients with Dark Mode enabled.

EDUCATION

Udemy, Remote – *HTML Email Mastery*

Completed an online HTML Email course to learn all about **HTML tables**, **Conditional Statements for MSO and Outlook**, and how to **enable Dark Mode** in dark mode clients.
